3. Defaulters on account of previous leases will not be permitted to bid.

4. No person will be allowed to bid unless he (i) produces a certificate from the Amildar of the taluk in which he resides in regard to his solvency and its extent or an exchange certificate as provided in clause 5 and (ii) deposits also with the officer holding the sale a sum of Rs. 200 which must be in the form of cash or currency notes.

5. The highest bidder shall deliver his solvency certificate to the officer conducting the sale, and get in exchange, if he so desires, a certificate signed by the latter which will be a sufficient authority for him to bid at auction sale in any one of the remaining divisions. This exchange certificate shall be delivered to the officer conducting the sale, in case the party named therein happens to be the highest bidder obtaining in lieu thereof, if he wishes a fresh exchange certificate for his use. The exchange certificate will contain all the particulars found in the Amildar's certificate with the details of purchase made in the sales of other divisions as well as in the one, in which the exchange certificate is sought for. The deposits of unsuccessful bidders will be returned immediately after the sale.

6. The exclusive right of collecting and removing the produce above described will be disposed of to the highest bidder, subject to the confirmation of the Conservator of Forests who, at his discretion, may accept or reject the highest or any other bid without assigning any reason therefor.

7. The successful bidders shall immediately after the close of the sale, credit into the Government Treasury, one-quarter of the total sale amount including the deposit already made together with the local, railway and other cesses, on the entire lease amount at the rats prevailing in the district. In default, the deposit will be forfeited and the right resold. Such resales will be at the risk of the defaulting purchaser, who will be liable to make good any loss that may result to Government right, but will have no claim to any surplus accruing therefrom. Such losses will be recoverable as an arrear of land revenue.

8. If the sale is not confirmed by the authority concerned, all moneys paid will be refunded to the party.

9. Within fifteen days of the intimation of the confirmation of the sale the successful bidder shall execute an agreement with one or more sureties to the satisfaction of the District Forest Officer, on a stamped paper of proper value, procured at his own cost, and also furnish security deposit of Rs. 500 or one-quarter of the sale amount, whichever is less, for the due fulfilment of the conditions of the contract in the shape of Government Savings Bank deposit.

In default either to execute the agreement with the necessary sureties or to furnish the required security or both, the contract will be cancelled and the right resold, the defaulter being liable for any deficit in the three-fourths of the original sale amount. He shall have no claim to any surplus accruing from such resale, but shall be liable for the loss arising therefrom which will be recovered as an arrear of land revenue under Section 79 of the Mysore Forest Regulation or any other law in force for the time being.

N.B.—The solvency and the respectability of the sureties should be proved to the satisfaction of the Deputy Commissioner and the sureties shall be held responsible for all payments to be made under the lease and for the due fulfilment of all the conditions of the contract.

Note.—A sample form of the agreement may be seen at any of the District Forest Offices.

10. The balance of three-fourths of sale amount will be paid in three equal instalments as follows :—

First khist	on or before	1st November 1928.
Second	do	1st March 1929.
Third	do	1st July 1929.

In default to pay the instalments on the due dates, the contract will be cancelled and the right resold, the defaulter being liable for any deficit in the amount due to Government less the amount already paid. He shall have no claim on the surplus accruing from such resale, but shall be liable to the loss arising therefrom which shall be recovered as an arrear of land revenue under Section 79 of the Mysore Forest Regulation or any other law in force for the time being.

Further conditions to be entered in the agreement are :—

These licenses and passes which will be in books shall be obtained from the Range Forest Officer and will have a seal of the District Forest Officer, impressed. The duplicate copies will be submitted to the Range Forest Officer on the day on which the license or pass is issued. They will be liable also under the Forest Regulation, irrespective of any action that may be taken under the contract.

(*i*) The lessee or sub-lessee shall remove, out of the limits of the taluk before the 30th June 1930, all the produce collected and sorted under the terms of the lease.

(*j*) Neither the lessee nor sub-lessee nor his employees shall enter the State Forests either before sunrise or after sunset.

(*k*) No collection of the minor forest produce will be permitted in the State Forests during the fire season, *i.e.*, from the 15th February to end of April of each year.

(*l*) The lessee or sub-lessee shall not interfere with the recognised right of inamdars.

(*m*) The lessee or sub-lessee has no right to the produce or trees on occupied lands and the village Amarai as detailed in para 1 above.

(*n*) No damage will be caused to the trees while collecting the minor forest produce; any such damage will be assessed by the Range Forest Officer, which will be approved by the District Forest Officer. The District Forest Officer's decision in the assessment of the damages will be final. The assessed damages will be recovered from the security deposit of the lessee.

(*o*) The lessee or sub-lessee shall hold himself responsible for the acts of his agents or servants in the business of collection and transport.

11. In the event of breach of any of these conditions, the lease will be cancelled or the security amount forfeited in whole or in part, or both these penalties will be enforced at the discretion of the District Forest Officer or the Conservator of Forests as the case may be. In the case of mere forfeiture of the deposit amount, in part or in full, the difference will be made good immediately by the contractor, and if not, the lease will be cancelled and re-sold at the risk of the original purchaser, who will be liable for any loss which will become recoverable as an arrear of land revenue but not participate in any profits.
